Positive American Youth was established in 1997 by the Father and Son Team of Gordon Maurice Swiney, Jr. and Gordon Maruice Swiney, III. The mission was to develop and implement programs and events that would prevent idleness among "at risk" youth, particularly in some of the tough inner-city areas of New York and New Jersey, by using music and sports to enhance youth literacy and phonetic application. Through music and sports youth are able to become mentors in their communities; moreover, by having solid literacy and education skills, these same youth are less likely to be casualties of their environment.

Our mission and vision has now reached the Atlantic Coast areas such as, North Carolina, South Carolina and Georgia. (PAY) is a 501c3 organization; we serve over 25,000 youth a year. Using music and sports as the framework, we plan to continue to help as many youth as possible become POSITIVE AMERICAN YOUTH!!!

P.A.Y. is about "People helping people help themselves" and MXE would like to assist this organization with their mission.
